In the fiercely competitive field of aesthetic medicine, Line Eraser MD distinguishes itself with a refreshing dedication to excellence, surpassing all traditional medical spas with a heightened commitment to quality. This dedication extends not only to the cutting-edge services offered but also to their expert delivery by Dr. Carol Eisenstat, a compassionate and highly-skilled board-certified physician renowned for her artistry, precision, and expertise.

At Line Eraser MD, Dr. Eisenstat exclusively performs all the medical services, distinguishing it from typical medical spas where nurse practitioners and physician assistants often perform the procedures. Dr. Eisenstat's unmatched dexterity and in-depth understanding of facial anatomy, coupled with her education as an anesthesiologist, set the standard for precision and expertise.

Line Eraser MD is Redefining Aesthetic Medicine

More than just a medical spa, Line Eraser MD is an oasis of comfort and confidence. The resplendent decor harmonizes with exceptional services, revealing the natural beauty in every individual. From the first call to the warm welcome from Amanda and Jessica, the first points of contact, clients experience a blend of warmth, compassion, and expertise throughout their journey with Line Eraser MD.

Explore the range of minimally invasive treatments at Line Eraser MD including Botox, ultrasound guided dermal filler placement, PDO Threads, Kybella, Daxxify, microneedling, and platelet-rich plasma (PRP) hair and facial restoration guided with ultimate precision. Botox procedures also include treatments for migraines, TMJ, and excess sweating. The commitment to exceptional precision encompasses top-tier product offerings, including Botox, Juvederm, Revance, Dysport, Restylane, PDO Max, Rejuvapen, and SkinBetter Science. Additionally, this elevated medical aesthetics practice offers the transformative effects of collagen-stimulating fillers like Sculptra and Radiesse for results that appear natural and endure over an extended period.

Dr. Eisenstat's journey, from a seven-year accelerated Bachelor's of Science degree – Medical Doctor program, where she graduated with a Magna Cum Laude distinction, to Chief Resident in Anesthesiology at SUNY-Stony Brook University, forms the foundation of Line Eraser MD's commitment to precision and attention to detail.
